

THE GREATEST KNOWN PIANO ANNOUNCEMENT

C. A. Reed Piano and Organ Company's Entire Stock of Fine Pianos and Organs to Be Closed Out—Going to Quit the Piano and Organ Business.

OVER ONE HUNDRED PIANOS AND ORGANS THAT MUST BE SOLD IN TEN DAYS OR LESS

Not a Poor Piano in the Entire Stock. You Have Choice of More Than a Dozen Different Makes From Which to Select—Such as "Kranich & Back," "Ivers & Pond," "Fischer," "Kimball," "Chickering Brothers" and Many Others.

Every Piano and Organ Marked in Plain Figures

Our First Announcement Explained, As Clearly As Our Limited Space Would Permit, That We Were Going to Sell Off Our Large Stock and Retire From the Piano Business. Act Quickly if You Want a Good Piano or Organ for a Very Little Money.

Open Until Eight O'clock 314 South Main Street

During our long business experience in selling pianos, we have always tried to supply the very best instruments that could be made, pianos and organs that were made to last a lifetime.

We have fully decided to quit the piano business, consequently our large stock of over 190 instruments must be disposed of in short order. The fact is we have started out to sell this large stock in 12 days, which means there will be "something doing" in the music line in Anderson during the next two weeks.

Don't forget the fact that this is probably the largest stock of fine pianos and organs ever offered at cut-in-two prices, and on easy terms of payment.

We have up-rights, baby grands and player pianos either new, or slightly used, in fancy woods, such as Mahogany, Walnut or Golden Oak, all marked to sell at the lowest prices ever known for pianos of highest well known character—not an instrument reserved—all must go at some price and on some kind of terms.

Regular \$350, \$400, \$450 to \$500 pianos of the very best styles and makes to close out now for \$243, \$267, \$285 to \$317, cash or \$15 to \$25 cash and \$5 to \$12 a month or other terms to suit. Plenty of good serviceable pianos, either shopworn, been rented a short time or taken in trade for new Player Pianos that were made to sell for \$325, \$350 to \$400, that can be bought now for \$137, \$167 to \$228 cash or other terms to suit. Good reliable people anywhere can buy one of these pianos at the low prices and easy terms of payment without any advance in price. What we want to do is, sell the stock, sell it now, and get out of business.

Low Prices and Easy Terms. Never in the history of piano selling have such low prices and easy terms been made on reliable pianos and organs, but we are quitting the piano business and have made up our minds to sell this large stock and do it quickly, therefore if you need a good piano or organ now or expect to get one in the next year or two, be

FORMAL OPENING AT ST. MARY'S HOSPITAL

LUNCHEON AND RECEPTION WERE GIVEN YESTERDAY

GRAND SUCCESS

Both Were Well Attended and Dr. and Mrs. Breedin Received Many Congratulations.

The formal opening of St. Mary's hospital in North Anderson was held yesterday with a luncheon at 1 o'clock and a public reception from 8 to 7 o'clock in the afternoon.

The luncheon was given to the ministers and physicians of the city and community, city and county officials, members of the press and others by Dr. and Mrs. C. Singleton Breedin and was one of the most complete affairs from every standpoint given in Anderson in some time.

A receiving committee, consisting of Mesdames S. G. Hardin, Jno. Linley, D. W. Dodge and J. L. Farmer met the guests at the door and ushered them inside. They were then shown through the hospital by Dr. and Mrs. Breedin. After this they all met on the porch and talked for awhile. At 1 o'clock the guests were invited to lunch which was served in the hall. Dr. Diver, being the oldest member of the medical profession, was the guest of honor and led the guests into luncheon. Dr. Diver presided and asked Father Duff to invoke a divine blessing. After this all were asked to partake of the bountiful spread which they did with perfection.

After luncheon was finished Dr. Diver, as dean of the medical profession, made a few interesting remarks, mostly reminiscences of the profession here in Anderson, after which he called on the Rev. John W. Speake, pastor of St. John's Methodist church. The Rev. Speake spoke briefly and was followed by the Rev. D. Witherspoon Dodge, pastor of the Central Presbyterian church. Mr. Dodge was followed by Dr. W. H. Nardin, who spoke in behalf of the County Medical association. Dr. E. A. Hines, secretary of the county hospital and secretary of the State Medical society, came next and spoke in behalf of these two organizations. After this the Rev. W. H. Garrison, D. D., pastor of the Associate Reformed Presbyterian church, offered the benediction.

Each of the speakers congratulated Dr. and Mrs. Breedin on their undertaking and complimented the splendid hospital and equipment.

The Reception. Yesterday afternoon the public reception was held between 8 and 7 o'clock and during the two hours several scores of people called and bid St. Mary's hospital God-speed.

On the reception committee yesterday afternoon were Mesdames H. A. Watson, M. L. Bonham, C. C. Burris and Misses Eddie Davis and Marie Culp.

Mrs. Breedin stated yesterday that she was grateful to Mrs. D. T. McLees, Mrs. L. M. Parks, Misses Irene Martin and Louise Manly, Mrs. W. B. Valentine and Mrs. D. W. Dodge, for their donations of flowers and linen. Also to Mrs. John Ferguson, Mrs. J. D. Kennedy and Masters James L. Farmer, Jr., and W. B. Valentine, Jr., for their donations of linen and cut glass.

St. Mary's is one of the most modern constructed and equipped hospitals that can be found anywhere. It is located in North Anderson away from the noise of the city and is built so that there will always be plenty of sunshine and light in every room. The operating room is complete in every detail and is a model. It goes without saying that the people of every profession will appreciate the new hospital.

The nurses at St. Mary's are Misses Mamie Martin, Annie Lundkosky, Alice Bell Burris, Cleveland Moorehead and Elizabeth Barbot.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If tongue is coated clean little liver and bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally, if breath is bad, stomach sour, system full of cold, throat sore or if feverish, give a teaspoonful of "California Syrup of Figs" and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels and you have a well-playful child again.

Sick children need to be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and grown-ups plenty on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

JURORS ARE DRAWN FOR THE FIRST WEEK

DOES NOT KNOW WHETHER THERE WILL BE TWO WEEKS

CONVENES NOV. 15

Seems Work at Next Term Court of General Sessions Will Be Light.

W. S. Adams, Savannah.
R. W. Ambrose, Honea Path.
C. L. Cobb, Broadaway.
J. Clyde Green, Belton.
J. O. Pinson, Belton.
J. O. Humelett, Anderson.
C. C. Watt, Varennes.

Clerk of Court Fearman stated yesterday that he had not been advised whether it would be necessary to draw jurors for the second week or not. If court lasts two weeks the next jurors will be drawn next Monday.

DEATHS

E. ROSS DOGGETT DEAD

Well-Known Citizen of Piedmont Passed Away Monday.

E. Ross Doggett, aged about 65, died at his home in Piedmont at an early hour this morning. Mr. Doggett was among the earlier settlers at Piedmont and was widely known. He was originally from North Carolina, moving his family to Piedmont some twenty-five or thirty years ago, where he has resided ever since. Mr. Doggett was quite a character, in that he never met a stranger, and though abrupt in his bearing, won the confidence and respect of all with whom he came in contact. For many years he held a position in the cloth room of the Piedmont mills and was considered one of the best and most faithful men in the employ of the company.

He is survived by his wife and three sons, Lee Doggett of Spartanburg; George and Alex Doggett of Piedmont, and four daughters, Mrs. J. T. Henderson of Greer; Mrs. J. M. Spearman of Greer; Mrs. Tom Heard of Piedmont and Mrs. J. B. Farmer of this city.

The Living Telephone. Some time after the close of the Franco-German war, the Prussian Uhlan drill was introduced into the British cavalry. The first men to be exercised in it were a corps of Household Cavalry (Blues), at Windsor.

They were extended, each some 800 yards from his fellow, many miles of country, being covered.

This verbal message was given to the soldiers on the extreme right to pass along: "Enemy's videttes at Englefield Green." It got hopelessly muddled half way.

The amazed officer waiting to receive it got this communication from the trooper on the extreme left: "England's bats paid by the queen." Philadelphia Public Ledger.

Our Honey Offer—This and So. Don't miss this. Cut out this slip, enclose with 5c and mail it to Foley & Co., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound, for coughs, colds and croup; Foley Kidney Pills, for pain in sides and back, rheumatism, backache, kidney and bladder ailments; and Foley Cathartic Tablets, a wholesome and thoroughly cleansing cathartic, for constipation, biliousness, headache and sluggish bowels. Sold everywhere.

In instructing a youthful class in mathematics the teacher turned to John Jones.

"Johnny," she remarked, "can you tell me what an average is?"

"Yes, ma'am," was the prompt response of Johnny, "an average is what a hen lays eggs on."

"What," exclaimed the amazed teacher, "what on earth are you talking about?"

"That's right, Miss Mary," was the rejoinder of Johnny. "Most every lesson in our arithmetic starts off 'If a hen lays three eggs a week on an average.'"

LANDER COLLEGE

In spite of the rain a large number of Lander College girls attended the Lander Fair on Thursday. The exhibits were very interesting. Lander college booth attracted much attention. There were specimens of work from the art, the domestic science and the millinery departments, and note books from the Botany, Physics and Chemistry classes. The one very striking exhibit in another part of the building was a collection of sixty-five canned and preserved fruits and vegetable gotten up by Miss Harriet McLees, a Lander College girl.

The Matheson Literary society entertained the faculty and students last Saturday evening in the gymnasium. This was one of the most pleasant affairs the college household has enjoyed. There was great fun in the different games played. The refreshments were dainty and delicious.

In the afternoon Prof. W. H. Hand and Mr. Anderson, superintendent of the Newberry city schools visited the college and went through the buildings. They happened in the domestic science department while the young ladies were preparing the refreshments for the party and saw a very interesting spectacle. The sandwiches were about the only things quite ready to be served.

Miss Candler Wiggins has been elected as assistant teacher. The large attendance of students this fall made it necessary to employ her help.

Dr. Wilson has been away several days. He went to Marion to perform the marriage ceremony of his niece, and is now visiting in Charleston and other places in the low country.

A number of county clubs have been organized among the students and their little informal meetings prove a pleasant diversion. The Spartanburg County club takes the lead for number. This club has elected as a member, Miss Catherine Cooke from Patras, Greece. Her father was for years a professor of Wofford college, so she has been a resident of Spartanburg.

Niloak From the Ozarks

We have secured the exclusive agency for the celebrated Niloak Pottery. It is a new pottery, made from the plain clay, without any artificial coloring. No two pieces are the same design, nor have exactly the same coloring. Niloak pottery is made by hand from natural color clays found in the foot-hills of the Ozark Mountains of Arkansas. No color seen in any other pottery, either natural or artificial is as beautiful in tone or decorative value as the beautiful colors seen in Niloak.
